

Birds of a Feather
(Jeff Greb)

I'd like to be a chicken
Running around
Without a head
I'd just be a cock
Cock on the walk
Cock on the run
Little red rooster
Without a head
Running around

I'd like to be a turkey
Looking straight up
Mouth wide open
Drown in the rain
Sing in the rain
Water on the brain
Domesticated turkey
Mouth wide open
Looking straight up

I'd like to be a parrot
Squawking at you
Got me a perch
I want a cracker
Southern cracker
Southern right cross
Got me a pirate
Got me a perch
Squawking at you

Vulture eye
Vulture eye (looking at you)
