

Chemical
(Greb)

The oyster boy toiled all day
Monkey boy toy came out to play
All he could say was “Oy-e-vey”
You get what you get, you get what you say

(Chorus)
We’re all chemical
It’s so comical
Astronomical
Ecological

Workoholic, chocoholic
Alcoholic, sexoholic
Talkoholic, walkoholic
Foodoholic, momoholic

(Chorus)

Green grocer deals for a limited time
The price of it all’s a capital crime
The thing of it is he feels just fine
Why’s it have to be his, why can’t it be mine?

(Chorus)

Automatic, systematic
Autocratic, laundromatic
Didactic, dialectic
Emphatic, symptomatic

(Chorus)

Max-a-million’s worth more than that
Injections into his body fat
He don’t like it, that’s a fact
But there’s not much he can do about that

(Chorus)
