

**El Tepeyac  
(Greb)**

El Tepeyac is a mountain  
It's also a café  
A cantina in East LA  
Chile verde all day  
Menudo on Saturday  
Taquitos and guacamole

Chile verde is a Hollenbeck  
Chile Colorado: that's an Okie  
Or you can have a special  
Which is really two Hollenbecks  
Put together  
Lots of guac and cheese

There's no reason  
To stand in the long line  
Unless, unless you hope  
Unless you hope  
That Manny's there  
Passing out shots of tequila

Don't show up on a Tuesday  
Closed on a Tuesday  
If you show up on a Tuesday  
You have to go down the hill  
Down the hill to Ciro's  
And that's just sad  
Because you can see Tepeyac from Ciro's  
Not that Ciro's is bad but it's  
It's no Tepeyac

Get yourself, get yourself to Boyle Heights  
Open late on Friday Saturday nights  
Good stuff  
Reasonable prices  
Frijoles colores
