

Go Away
(Geoff Meneses)

Go away, on your way
It's the day I tell you to go away.
Put it back. It's a fact.
That's it Mac, I told you to put it back.

Everyday it's getting clearer
That the walls are getting nearer.
In every way it's getting clearer
All my fears are getting nearer.

Hands are tied. Now you lied.
Can't deny you're not on my side.

Everyday it's getting clearer
That the walls are getting nearer.
In every way it's getting clearer
All my fears are getting nearer.

Go away, on your way
It's the day I tell you to go away.
