

Good Times Are Gonna Come

(Greb)

(Chorus)

Good times are gonna come to those who wait
Don't worry about tomorrow, tomorrow ain't too late
Sure as there is sun, sure as there is sky
Good times are gonna come, come for you and I

I saw a man all alone
Standin' on the street
I could tell he had not home,
He had no shoes on his feet
As I started to walk away
I could tell that he was much older
But he smiled and I heard him say
Good times are around the corner

(Chorus)

You see them wherever you go
They stop and ask for a buck
Just because they're not people you know
Doesn't mean you can't give a fuck
They're workin' harder than you
Just tryin' to stay alive
Think about the things you'd do
If it meant that you'd survive

(Chorus)

The meek shall inherit the earth
But the earth it ain't that great
It's hard to say what it's worth
When it's built on lies and hate

No matter how bad things get
No matter how bad things are
We should never forget
We're just specks floatin' 'round a star
So let the truth be told
No one is better than the rest
It's a pack of lies we've been sold
Truth is the only test
