

Hen Named Bob

Had me a dog
Cut off his leg
Cooked it up good
Now he won't beg
At the table no more
Now he won't beg
That dog won't beg
At the table no more
You are my favorite whore

Had me a pig
Name was Gil
Best damned pig
I ever did kill
Taste so good
I can taste him still
Best damned pig
Name was Gil
I ate that pig till I had my fill

Had me a hen
His name was Bob
Biggest damned hen
You ever have saw
Thighs and drumsticks
Itty bitty wings
She makes me say
These crazy things
Best damned hen I ever done had
