

**(I Don't Want to Be) Another Creature**  
**(Art Meneses & Greb)**

I don't want to be another creature  
I don't want to be another star  
I don't want to play a double feature  
I just want to hammer my guitar

I don't want to eat no more French cooking  
I don't want to own a jet no more  
I don't want a babe that's good looking  
I just want a twenty dollar whore

(Bridge)  
I'm going to Creatureland  
As fast as I can  
Going to be a creature  
Instead of a man

I don't want to hear another disco  
I don't want to see you talking back  
I don't want to go to San Francisco  
I just want to eat my Bonus Jack
