

**Jammin' Biggie**  
**(Geoff Meneses)**

I can see the facts behind the truth,  
And I been jammin' Biggie for some proof.  
Can't you see, it's making me crazy.  
Wanna bet you'll be pushing up daisies.

You believing everything you see,  
But you won't take that leap with me.  
Don't you know, you can't be so lazy.  
'Fore you know, you wake up in Hades.

You aren't "All that you can be,"  
But you still sitting tight with me.  
Don't you see, I know it's so hazy.  
Come with me, cuz Biggie's acting crazy.

I can see the writing on the wall,  
But I don't see how Biggie's gonna fall.  
It's a war, and Biggie's on the block.  
Jammin' Biggie: gotta be more than talk.
