

Jelly Sandwich
(Greb)

I could use a jelly sandwich
I could use a block of cheese
But I ain't got none
But I ain't got none
Where does all my money go?
I could really use some cash
But I ain't got none
But I ain't got none
Rich guy's got lots of money
More than any two
But I ain't got none
But I ain't got none
