

Jesus Est Mi Amigo

(Greb)

Jesus est mi amigo; he fixed my busted car
Jesus est mi amigo; he fixed my busted car
With Jesus as your friend, you'll always travel far

When you're broken down, he'll get you going really fast
When you're broken down, he'll get you going really fast
Jesus doesn't cost much; you don't need to pay in cash

You can always call on Jesus when you're feeling bleak
You can always call on Jesus when you're feeling bleak
Jesus is always there for you (but only five days of the week)
