

## **Jesus Loves Me (More Than You)**

Jesus loves me more than you  
Jesus tells me what to do  
Jesus might have been a Jew  
But he still loves me more than you

Every wound I get is a wound that won't heal  
Every time I bet I wonder "What's the deal?"  
Everywhere I go they ask me how I feel  
Little do they know I can't eat my last meal
