

Live and Learn

Live and learn
Hard luck Suzie
Crash and burn
Low life floozy
Time to earn
Your John Belushi
Oh yeah

Sit and spin
Bullshit stories
Live again
One time glories
Spit and grin
All real gory
Oh yeah

(Chorus)
Cocaine
Champagne
My brain
Insane
Cocaine
Champagne
My brain
Insane
Oh yeah

Drink and drive
Keep on rockin'
Shithole dive
Don't bother knockin'
Five by five
Big time talkin'
Oh yeah

Sit and stink
Burn and crash
Time to think
Get the cash
In the pink
Full blown stash
Oh yeah

(Chorus)
