

My Way Home
(Greb)

I'm in – inside wheels of confusion
I'm in – inside walls of doubt
I feel – feel like I am losing
My way – feel like I've lost my way out

Show me the way to go home
Show me my way home
Show me the way to go home
Show me my way home

I'm back – back up against the door
I'm back – back on my feet again
I'm up – up and wanting more
Abuse – wanting more abuse insane

Show me the way to go home
Show me my way home
Show me the way to go home
Show me my way home

I'm in – inside wheels of confusion
I'm in – inside walls of doubt
I feel – feel like I am losing
My way – feel like I've lost my way out

Show me the way to go home
Show me my way home
Show me the way to go home
Show me my way home
