

## **Oil Man**

All right  
already.  
Fine  
you win  
lets go  
get it,  
get it all,  
whatever  
it costs  
whatever  
it takes  
suck it  
out  
every drop  
wherever  
it is:  
Alaska  
California coast  
(surf's up)  
Beverly Hills  
Dodger Stadium  
Yankee Stadium  
Texas Stadium  
(play ball)  
bottom of  
Lake Michigan  
underneath  
Mount Rushmore  
(howdy boys)  
wherever  
it is:  
only  
when you're  
done  
when you've  
got it all  
just remember  
they're not making  
any new  
dinosaurs  
any new  
rainforests  
so be kind  
enough

to  
shut the fuck up  
because  
you got  
what you  
wanted.  
Congratulations.
