

**(Sooner or Later) Everything Turns to Shit  
(Greb)**

Entropy  
Entropic tendency  
It's sad to see  
Things fall apart on me  
Eventually  
Inevitability  
Things will fall apart  
Into composite parts  
Disintegrate  
It's all too late  
There's no doubt in it  
Everything turns to shit

Everything turns to shit  
Everything turns to shit  
There's no doubt in it  
Everything turns to shit

Everything turns to shit  
Everything turns to shit  
There's no doubt in it  
Everything turns to shit
