

Texas Love

I'm standing back
Biding my time
Watching you move
And swing your behind
I want to dance
I want to sing
I want to tell you, pretty baby,
You mean everything

In the dark
In the light
When I'm with you
I feel alright
It makes me feel
On top of the world
I feel so glad
Just to know you're my girl

Sometimes we fight
Sometimes I'm cross
You let me know
Just who's the boss
It isn't me
That much is true
You might need me
But I can't live without you
