

Turkey Bacon
(The Wet Bats)

Wanted me some bacon
But I didn't want no pork
Got some turkey bacon
Didn't need no fork

I put it in a sammich
'Cause it laid down nice and flat
But I had to add some oil
'Cause it doesn't got no fat

(Chorus)
Turkey bacon
Turkey bacon
Turkey bacon

Turkey bacon
Turkey bacon
Turkey bacon

Ate it with some cabbage
Ate it with some beans
Want a veggie meal
But I don't know what it means

Turkey is a country
It also is a bird
But that nasty bacon
Tastes just like a turd

(Chorus)

Wanted me some bacon
But I didn't want no pork
Got some turkey bacon
Didn't need no fork

(Chorus)
